§ 138-8. Temporary food license; fee.

- A. No person shall conduct, maintain or operate a temporary food stand or concession in the Township who does not possess the appropriate temporary license from the Board of Health; provided, however, that no license shall be required for any temporary food establishment operated by any nonprofit community or service organization as well as local government, public schools, volunteer fire departments, rescue squads, or recreational sports organizations.
- B. Each such temporary license shall not be transferable and shall continue in full force for a period not to exceed 30 days from issuance unless sooner revoked or suspended.
- C. Every owner or operator of a temporary food establishment shall be required to obtain a temporary license for each establishment.
- D. The license procedure for such temporary license is as follows:

- B. A license issued under the terms and provisions of this article shall not be revoked, cancelled or suspended until a hearing thereon shall have been had by the Board of Health. Written notice of the time and place of the hearing shall be served upon the licensee at least three days prior to the date set for such hearing. Such notice shall also contain a brief statement of the grounds to be relied upon for revoking, cancelling or suspending such license. At the hearing before the Board of Health, the person aggrieved shall have an opportunity to answer and may thereafter be heard, and upon due consideration and deliberation by the Board of Health, the complaint may be dismissed, or if the Board concludes that the charges have been sustained and substantiated, it may revoke, cancel or suspend the license held by the licensee.
- C.
